State transportation board to hold hearings

Friday, May 30, 2008

The State Transportation Board will host a series of four public hearings in June to invite public comments on a statewide transportation program developed by the Arizona Department of Transportation collaboratively with regional and local transportation partners from across the state.

ADOT's Statewide Transportation Investment Strategy outlines a transportation program that would be funded through a ballot initiative filed by the TIME (Transportation and Infrastructure Moving Arizona's Economy) Coalition.

The public hearings will be held at various locations throughout the state as follows:

- Wednesday, June 4, 5 p.m. to 7 p.m., Northern Arizona University Cline Library Assembly Hall, Flagstaff
- Monday, June 9, 5 p.m. to 7 p.m., Town of Marana Council Chambers, 11555 W. Civic Center Drive, Marana

For more information regarding the upcoming public hearings, visit www.azdot.gov.
