

Workshop set in Nogales for next month

The Arizona Department of Transportation (ADOT) and local/regional partners will host a second series of community workshops across the state to present future scenarios to the community for feedback.

A workshop will be held from 2:30 p.m.-4:30 p.m., or 5:30-7:30 p.m. in Nogales on Wednesday, Nov. 19, at the Holiday Inn on 850 Shell Road. Snacks and beverages will be available.

The scenarios have been developed based on input from earlier workshops. The studies will identify the state's transportation system in the 2030-2050 timeframe and it is to have views from a broad spectrum of the community.
