ADOT schedules transportation planning workshops Nov. 13

The Arizona Department of Transportation understands the decisions we make now will affect you and your children in the future. Do you think we need more roads?

Do you think we need more transit? Do you think we need to use alternative fuels or technologies? ADOT cares about the legacy left for future generations.

Join ADOT officials for a transportation planning workshop Thursday, Nov. 13, and let them know what you think. The workshop will be held from 10 a.m. to noon and at 5:30-7:30 p.m. at JB's Meeting Room, 480 Deuce of Club, in Show Low.

Food and beverages will be provided. Children are welcome.

For more information, please contact Angie Brown, ADOT consultant, at (520) 327-6077 or visit www.bqaz.gov.
