SIGNAL PEAK - A community workshop is planned next month to help shape the future of Arizona's transportation system.

The Arizona Department of Transportation (ADOT) is studying the state's current transportation system and identifying options to address future needs.

As part of the second round of community workshops to present findings from the initial workshops in March, a session is planned Thursday, Nov. 13, at Central Arizona College, 8470 N. Overfield Road. The workshop is scheduled from 4 to 8 p.m., with presentations at 4:30 and 6:30 p.m., in Building M, Room 101, at the Signal Peak Campus.

A similar workshop is scheduled from 3:30 to 7:30 p.m. Wednesday, Nov. 12, in Globe at Besh-Ba-Gowah Archaeological Park.

The public is invited to attend the workshops as part of the Central Arizona Regional Framework Study.

Food will be provided at the meetings.

For more information, visit the Web site at www.bqaz.gov.
